Conference News

We're **a month** away from one of the **most heart-filled profound experiences you can allow yourself to have – the “Celebrating the Joy of Life” Conference** at Virginia Beach, VA! We have until the end of this month to register with the For Purpose Group at the Surfside Inn to get our discounted rate. The August Newsletter Update has all the information you need as to the exciting schedule offered. The website also is loaded with information about what's happening in October. Take a moment to check it out!

Here's a helpful break-out of information to help enhance the magic of the Conference.

What to Bring

Weather conditions can fluctuate at this time of the year and warm temperatures are not out of the ordinary. An indoor swimming pool is available as well as miles of beaches. Break out that bathing suit and take advantage of the water! We're learning to expect the unexpected with the weather conditions, but informal is the name of the game. This is where you wear wild and crazy comfortable clothing to express your radiant personality while enjoying the fun-filled atmosphere of the FPI Family. The meeting room can be chilly, so be prepared to be comfy with whatever the temp of the room turns out to be.

A major theme is the Native American Medicine Wheel. Bring your drums, rattles and other instruments to allow them the joy of celebrating life, too! Note: If you didn't bring it, don't take it home with you!

There will be several vendors with their lovely wares for sale, so having **extra cash** is always a good idea. FPI also offers tee-shirts, books, etc. for purchase.

Give-Away Table

Items ready to move on from our lives that others might be interested in having can be placed on our Give-Away Table. Items such as CDs, jewelry, books, clothing, etc., will be on a first come, first served basis for the free taking.

Raffle Table

Our Raffle is one of the fun ways to benefit FPI. This Table contains donated items that have a greater value than the Give-Away things. Tickets are \$1 each or 6 for \$5 and are sold throughout the week. Wednesday evening is Raffle Night. It's amazing what excitement, laughter, and joy comes with the items offered. Lovely jewelry, books, pictures, purses, gift items – you name it, it might well be on the Raffle Table. Bring what you'd like to donate and expect to take home lots of wonderful new items!

Healing Altar

The Healing Altar is present throughout the week. You're invited to place personal items of your choosing on the altar to absorb the healing energy of the week. Photos of loved ones, jewelry, divination cards, etc., are welcome here. Please be sure to collect the personal items you place on the Altar before leaving the Conference.

Services Available

Sign-up sheets are on the Registration Desk for the variety of **readers and healers offering their services during the week.** Robert Phoenix offers astrology as well as tarot readings; Lynn Walker does healing sessions; Wolf Yoxall offers shamanic healing sessions; Malcolm Speirs does intuitive/mediumship readings; and there may be other services, such as massage, available. If you would like to offer your healing services, please contact Charlotte Abell (410-635-2262) for more information. Fees for these services vary.

Recordings of Presentations

Recordings of all the speakers and the Community Meeting will be available for purchase through Howard Hill, our Master Recording Man. If you'd like a copy of your natal astrological chart, send your birth information (DATE, TIME & PLACE) to Charlotte at caabell@peoplepc.com and Howard will run a copy for you at the Conference.

Post-Conference Workshop

Lynn Walker will present "The Natural Process: A Near-Death Experience (Without Dying)" on Thursday afternoon from 2 to 5 pm. This is an optional workshop and is not included in the price of the Conference. The fee is \$40 in advance and \$50 at the door.

Happy Stuff

Friday evening after the Opening Ceremony we'll have a "Getting to Know You" time with light refreshments. On Sunday, FPI will host a Community Luncheon for your dining pleasure. Opportunity for group photos to be taken will be given before the clean-up.

Third Quarter Phase Moon Info

This Third-Quarter Moon Phase brings with it all the 're' words; responsibility, reevaluation, release, reveal, realign, revision, etc. It's the point in the cycle where we can claim our mastery of what we have been working on in the past phases. Is it a story of success and achievement or something less than that? Lots of reworking of our goals and visioning for our future is in this 'phase of wisdom' as we clearly see what has been accomplished. A great time to Celebrate the Joy of Life!

Remembering Edna Earle Matthews

Our hearts are saddened by the sudden passing of our beloved Family Member, Edna Matthews. She was our Secretary for over 15 years and was one of the original members of the Buz Myers conferences. Edna died August 28, 2015, from congestive heart failure. We will miss her gentle chuckles, the twinkle in her eye, her practical suggestions for dealing with issues, and her loving energy. On a personal note, Edna was one of my Roomies for the past 20 years or so and will be especially missed this year. Godspeed, Dear Edna, Godspeed.

September's Exciting Changeable Energies

This September is rife with planetary changes that bring with them new possibilities and shifts in our way of thinking. Venus has been going RX for a time this summer and has now moved forward in a dance with Mars. Both planets are in the sign of Leo, requesting fun and frolic in relationships as well as finding what is 'real' therein. Mercury goes RX on Sept 17 in Libra and Saturn goes into the sign of Sagittarius on that same day. Pluto will shift gears in late September, moving relentlessly in its job of transforming just about everything that has held the Old World together up to now. Sept 13 has a New Moon Eclipse in Virgo and Sept 27 is a Lunar Eclipse at 4 Aries.

What's a person to do?? Well, these eclipses are thought to be especially powerful as they bring up issues to be dealt with in the years ahead. Virgo is an Earth sign – even Jupiter has moved into this sign for a whole year – and Saturn in Sagittarius will be asking for reality in the beliefs about environmental issues, education, health, and how to shift our philosophy into a kind of service-oriented action.

The world will be dealing with a Saturn square Neptune issue for the next year or so, which is about looking with real eyes at the ways we might have been deceived by our previous beliefs and philosophies. Religious traditions/beliefs will move to the forefront to be examined and shifted if need be.

As I see it, September is a pivotal month for moving us along our way to what the joy of living on Earth is about. Our radiance as Light Beings is a healing factor not to be taken 'lightly,' pun intended. Consciously putting our Light and Love into whatever we do and wherever we are is an important issue and how we can best serve our fellow-man. We're here because we asked to be here. Knowing that we are up to the job and are the ones willing to keep the Light Burning for the bright and blessed future on Earth is a worthy cause and ours to do. How great it is to be alive and Celebrating the Joy of Life!

***Brightest Blessings,
Charlotte Abell, President, FPI***
